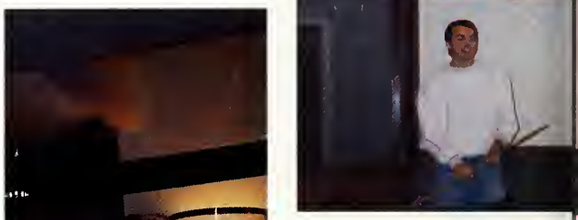
MILLIKIN UNIVERSITY

1184 West Main Street
Decatur, Illinois

Life And Times
1992

Above: You are now entering THE PARTY ZONE!
Below: Heath tells Carey, "the party is this way."

Left: Millikin's Resident Rockologist
Right: Open 24 hours a day!



Top: Eight ball in the armpit.

Mmm Mmm, Caf food!

My test is when?

Top: "maybe I can bribe my prof with a Hallmark..."
Bottom: Another beautiful "why do I have to go to class?" kind of day.

IT'S OUR TIME

Above: Friendships are the best part of college.
Right: Seniors know that the caf becomes their home away from home.
Below: Living off campus means cooking for yourself.

Above: While cleaning her room, Bev takes time to play peek-a-boo with the camera.
Right: Todd Westjohn and Jeff Thompson socialize in the computer lab before starting their homework.

What is normal and routine, grow dear when fleeting
Look around, take a breath- remember where you have been
Remember the tears, and the smiles that grew beneath
The laughter and the sorrow played a duet-side by side
Recall the knowledge, collected for a time
To use when it is needed or to treasure and name self-worth
Bring back those dreams of four years ago
Stack the realized ones on a shelf called accomplishment
Carry the unknown ones with you- don't hide them away
Don't let them weight your soul down
many journeys wait to be taken
These things I often ponder
images in my mind
when I stroll throughout these hallowed halls
for what will be the last time.

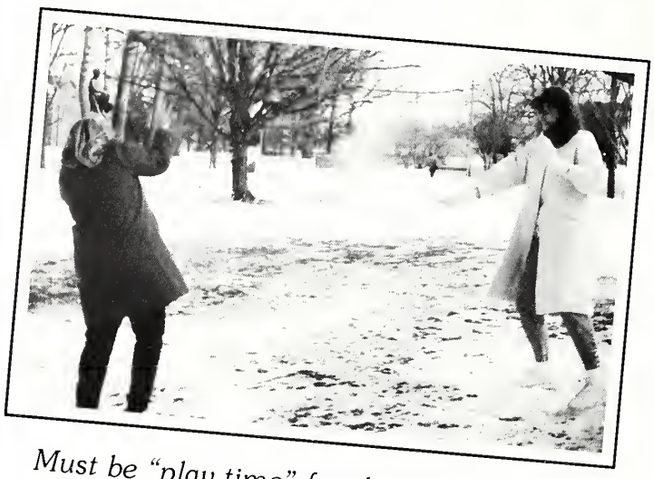
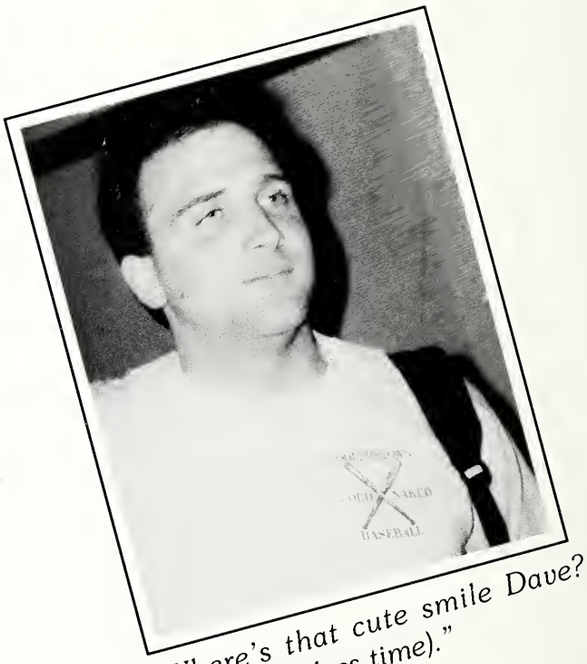
Does any body really know what time it is?



Must be "play time" for these two seniors

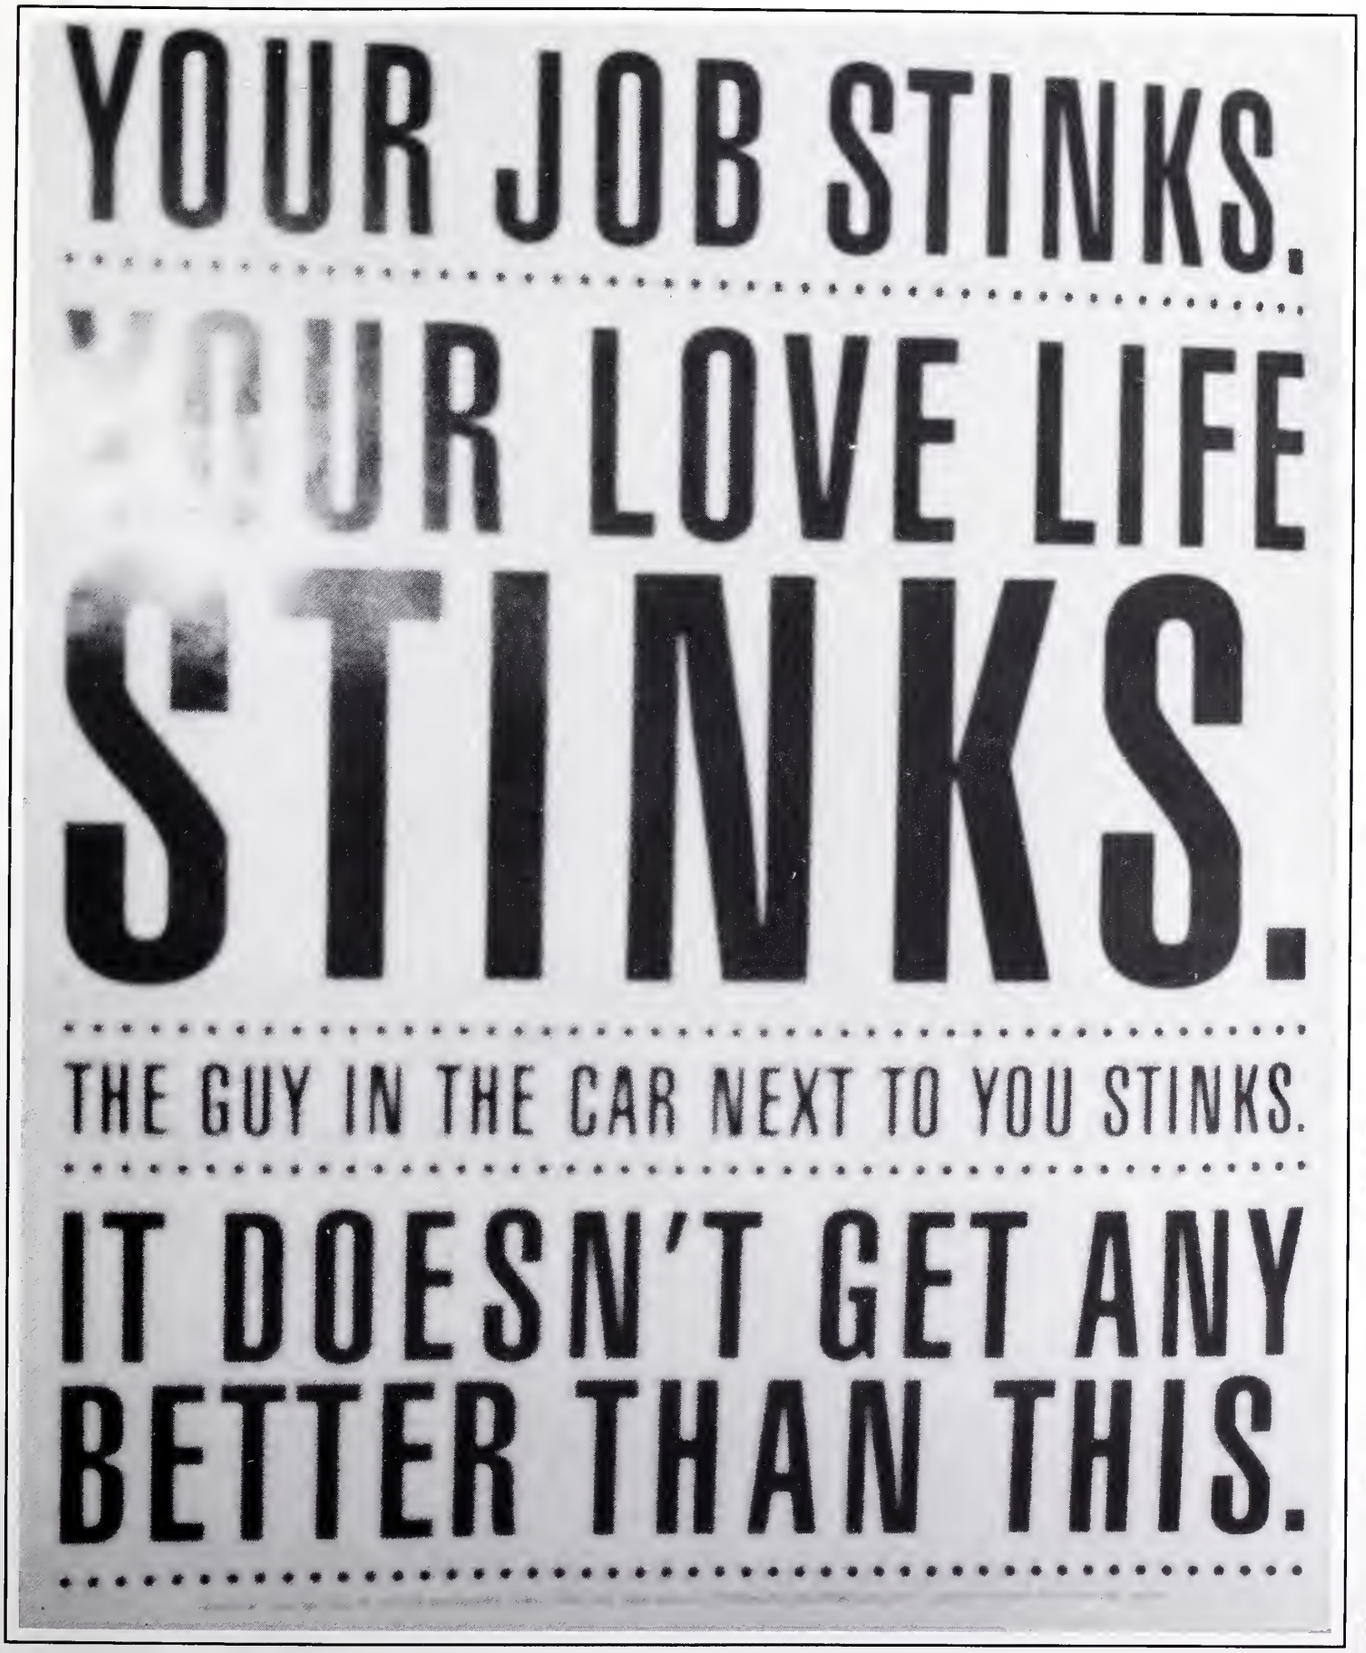


Where's that cute smile Dave? (must be "class time)."

AHH Must be Miller Time, Guys, It doesn't get any better than this, Julie thinks.

But Heather knows after class it's "happy Hour Time"

Then of course it's "Dinner Time" (right) or maybe even "show time?" (Above center) Just as long as it's not (yuck) "Study Time" (Left)



Just Kidding, Time to turn the page ...

MU Touchdown Time!

If you were to ask different members of this year's Football team what their feelings were about this past season, you would most likely get a variety of responses. For the Freshmen and Sophomores, most were relatively pleased with a 5-3 record overall and a fourth place finish in the CCIW. After all, it could be a lot worse. However, if you ask a Junior or Senior who has been a member of Millikin's most dominating teams, the answer you get would probably be quite different. The Seniors were hoping to make this their year and take the team all the way to the National Tournament. Things just did not work out for them that way. The team was somewhat young this year and injuries definitely played a role. Despite their inexperience, this year's team pulled off some very impressive wins including the 23-14 win over Drake and the 45-2 victory over North Central. This year's team has set the groundwork for a very promising future. It definitely looks as if Millikin will be a contending force to wreck-en with in the future. This year's captains were Mike Bozarth, Tony McClain, and Tony Swain. Next year's captains who will attempt to fill the shoes of their predecessors are Mike Hall and Tom Egan. Millikin will again be losing some important players to graduation, but there are a good number of underclassmen who are waiting in the wings for their chance at the starting positions.

The Big Blue defensive was second in the CCIW. This was due to great tackling as demonstrated here by Brett Keller and Kevin Anderson.

Kill Time

The Big Blue Volleyball squad utilized their height and outstanding spiking abilities to dominate opponents this season. The Pam Hack to Kim Halusan set/spike combination has been noteworthy since it began four years ago. Pam set school records for assists and Kim set records for kills. That combination of athletic ability is hard to stop, and it rarely was. The team finished up 21-16 overall, and they were 3-5 in the CCIW. At the CCIW Tournament they finished third out of nine teams.

This year's team features new faces along with the veterans. Tara Fisher was used opposite Kim Halusan and she will be a definite asset in the upcoming years. Marcie Lindgren was primarily a defensive specialist. Nhu Nguyen, Laura Tolone, and Kim Redman were all excellent hitters. When you add this group of freshman to the veterans, the athletic ability is obvious. One of the most enjoyable aspects, according to Coach Slagell, of this "rookie" - veteran combination, was that the seniors took the leadership roles and the freshman were willing to learn from them. The word "comradeship" enters in when talking about the season. It's easier to play a team sport when all members of the team get along.

Overall, Coach Slagell was happy with the team's performance throughout the season. There were, of course, some untimely losses, but in general, "the low points were minimal." Next year's team will be led by co-captains Kim Schmit and Jody Bottorff.

JV Team

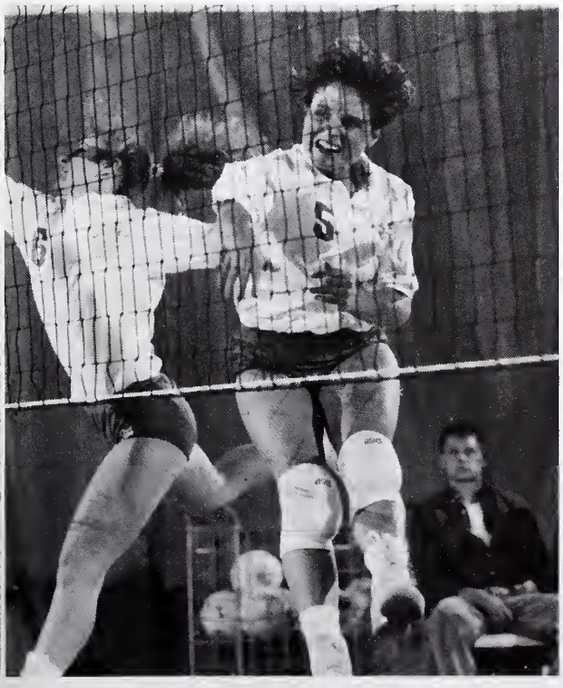
Kim Halusan, senior, led the team this year, and she set the school records for kills, attacks, solo blocks, assisted blocks, and total blocks.

Millikin University has a full Junior Varsity Volleyball schedule. Although the record and scores for the individual matches were not available, this year's team played well as a team, and they grew together as the season progressed. The Head Coach of the JV team is the Assistant Varsity Coach - Larry Baker.

The JV team consists of those players, usually freshman and sophomores, who want to gain experience on their way to making the Varsity squad. In addition, some of the freshman who made the Varsity team, but were not getting the playing time, played in some JV games so they could get more game experience.

This season was the first season that the JV played a full schedule. They also played in several tournaments. Next year they hope to continue the full schedule and possible even add more matches.

Although there are two separate squads - whenever they have away games at the same location, they travel together. Very rarely are the teams ever considered Varsity and JV. Both teams together make up The Volleyball Team.



Pam Hack, senior, and Ali Brewster, sophomore, try to fake out the opposing team's defense by running one of their crossing plays.

Kurt Taute, freshman, led the team this year with great ball handling skills as demonstrated here.

Time Will Tell

This season the Soccer team went 3-10 overall and 2-3 in the CCIW. This season was not what Head Coach Bodamer was anticipating for his last season as head coach, but the outlook for the upcoming season is outstanding. As Coach Bodamer said, "There is not quit in this team. They are a group of hard workers. They have made mistakes, but they are mistakes that can be corrected."

Some of those mistakes were a result of not playing together as a team. When you have a young group of players who are not used to playing with each other or to playing college soccer, there can be problems. The team, as the season progressed, became just that - a team.

These young players also took many of the leadership roles upon themselves too. Kurt Taute led the team in scoring and points - as a freshman! In addition to leading the team, he also set new records for those categories. He could very well become one of the best players in the CCIW. Chad Jones is another bright spot for the future. As Taute took on the offensive leadership, Jones became the defensive leader.

As a new Head Coach is found, a new era will begin in Millikin Soccer. The outlook is bright if everything goes according to how the team wants it to ... but only time will tell.

David Kroening prepares for the incoming ball. Can he stop it? Or, will a fellow teammate intercept it before it even reaches the goal line?

Heads Up! is a useful expression for Soccer. It takes skill to jump over a defender like that and then hit the ball with your head.

Seconds Count

The men's and women's cross country teams showed improvement during the season. Team members were running at faster paces by the end of the season which were resulting in higher team finishes. As Coach Don Luy said, "We believe in focusing on individual improvement, and as a result, the team will get better. We have a bunch of people who are self-disciplined and self-motivated."

This year's team focused especially on planning a strategy and maintaining positive attitudes. This two concepts help the runner find their best way to try to place higher in each race they were in, and it paid off. At the North Park Invitational the women were fifth of 11 and the men were third of 13. In their next meet at Greenville, the women finished first of 5, and the men first of 7.

Next year the women's team will be under the leadership of Amy Young and Eliza Nyman. The men's captains will be Dave Grabske and Darren Pitts. There is a lot of promise for next year's team because the women lose one senior and the men will lose two. With that many people returning, the expectations for next year are higher.

Darren Pitts, junior, and Dave Grabske, senior, start this race together with the rest of the runners. At the right moment they will both make their move, hopefully into the lead.

Those who run together, win together. At least that's what these three Millikin runners are hoping for.

Amy Young, Pam Bailey, Laura Voyt, and Wendy Baker all take about the same pace in hopes of finishing in the front of the group.

In times of competition, each runner is running against the clock, themselves, other runners, and even their teammates. Can Amy Young or Laura Voyt keep the pace and pull off the victory?

Time for Tennis, Anyone?

After a slow start, the women's tennis team pulled everything together, and by the end of the season, they were reaching levels of conference title potential. At the Conference Tournament, the team received two second place finishes and one third place. Allison Baker earned an All-Conference selection at Number 4 singles, after her second place finish in the Conference Tournament. This was an amazing accomplishment, and her success was shared by fellow teammates. During the regular season, Allison Baker went 2-9, but she pulled out the victories at Conference when it really counted. Playing Singles matches for the team were:

Number 1: Amy Burrows
Number 2: Nicole Biggs
Number 3: Shelly Kramer
Number 4: Allison Baker
Number 5: Amy Chowaniak
Number 6: Pam Volling

The doubles teams also performed well this season. The Number 1 doubles team consisted of Amy Burrows and Shelly Kramer. Number 2 doubles was Allison Baker and Nicole Biggs. The Number 3 doubles team switched throughout the season. April Martin played doubles with both Amy Chowaniak and Jeanna Koetters.

Next year, the women have to replace only two Seniors - Amy Burrows and Shelly Kramer. The underclassmen who will be returning next season are looking forward to continuing where they left off at the end of this season. This year's team ended up with a 6-5 dual match record and a fifth place finish in the CCIW. They look to improve upon these for next season.

Amy Burrows (top), April Martin (left) and Shelly Kramer (above) all played critical roles in the success of this year's team.

Most Millikin athletes would agree that without an Athletic Training Program, there wouldn't be an Athletic Program. Just imagine trying to play an entire Football season without trainers - IMPOSSIBLE! the student trainers, under the supervision of Scott Doberstein, are at almost every home game of the various sports. As a result, a lot of time is devoted by the trainers, including many late nights and weekends. In addition, the Training Room is open during certain hours of the day for athletes to come and receive treatments or get taped prior to practice or a game. For the athletes, the most beneficial aspects of our training staff is that they understand the athletes want to be out playing, not sitting out injured. The trainers do the best job possible, as quickly as possible, to get the athlete back in action.

On behalf of the athletes, thank you for all your hard work, dedication, and long hours of work - your efforts are greatly appreciated.

Time for "Team" Togetherness

According to Head Coach Lori Kerans, this season is "one important step toward a higher level." This year's team had a similar situation to the men's team, in that they had several Seniors who were willing to take on the leadership roles, and then there was a solid group of Underclassmen who were willing to follow and learn. Another way to describe this year's team is by using that very essential word to success - TEAM! After losing the season opener to Loras, while participating in the Rockford College Tournament, the team went on to win the next seven consecutive games. This season was very competitive in the CCIW, as the women quickly discovered. This year's team ended up with a 9-7 record in the CCIW and a 17-9 record overall. This record gave them the fifth best finish in the school's history. The Seniors provided the essential leadership, but Jana Albrecht and Jodie Foster both made their way into the starting line-up as Freshmen. Senior Barb Blume-Love was honored for her accomplishments both on the basketball court and in the classroom as she was named to the GTE Academic All-District Basketball Team. She was the leading vote earner in the balloting. Although the team will have to find replacements for the four departing Seniors, Coach Kerans feels confident that someone will step up and assume the leadership roles.

Freshmen Alison Longbons, Susan Ozga, and Tami Engel take advantage of their playing time to show their abilities.

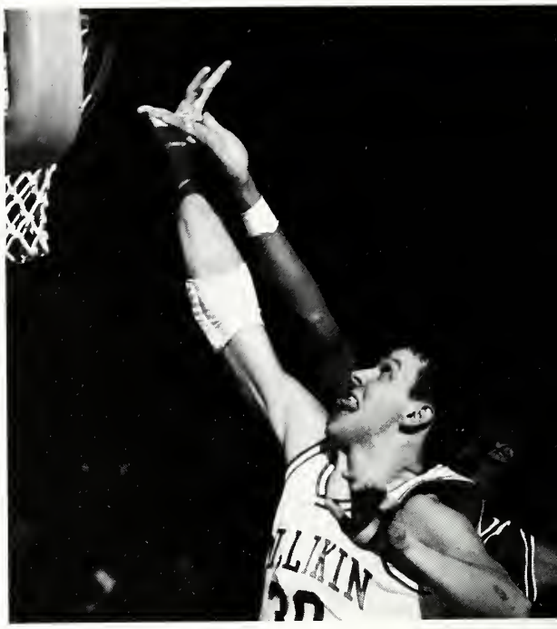
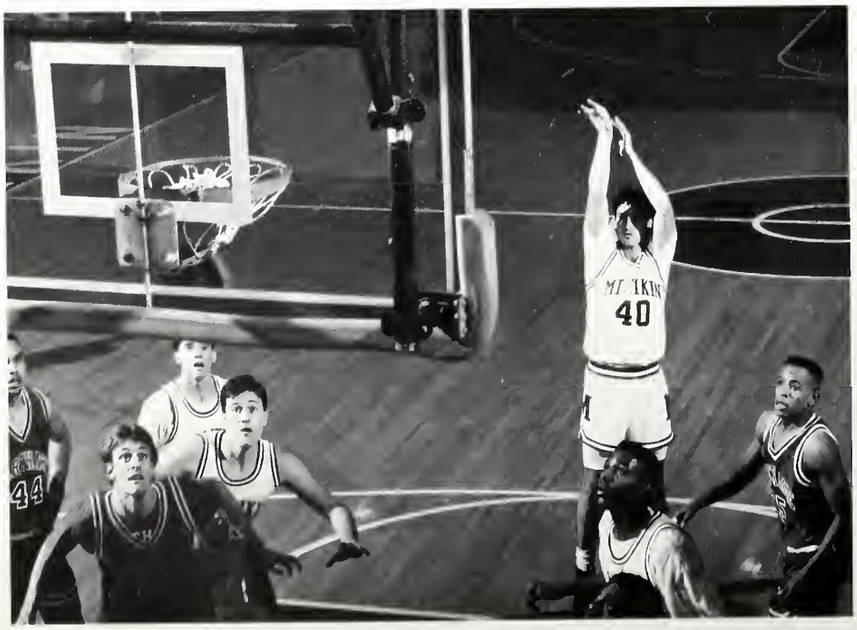
Brad Stieg, a Sophomore, was a reliable player both offensively and defensively. He was 6th in points and 4th in rebounds per game.





Jeff Thompson, a Senior, shoots his free-throw as Chris Wetzel, Jeff Micek, and Darno Demby watch. Thompson was the best free-throw shooter on the team, making 84.9% of his free throws.

Time to Lead and Grow

Youth and experience. These words may appear contradictory at first glance, but they are the perfect combination to describe the men's basketball team. The 1991-1992 team began the season under the leadership of four Seniors. Much to the delight of Head Coach Ramsey, there were a solid group of Freshman who were willing to challenge the older players for a spot on the team. As a result, Millikin's line-up consisted of three Freshman in starting positions. In addition, this year's team had a great depth of players. Ramsey knew he could look to the bench for solid playing - both offensive and defensive. The men's team jumped out to a promising start with victories in their first seven games. The team ran into trouble while playing games down in Florida. The more experienced teams created a feeling of frustration which was apparent when the team began CCIW play. After difficult back-to-back losses to Elmhurst and North Central, they found the win column for the next three games. The final game of the season was played against CCIW champions Illinois Wesleyan. A loss in the final game of the season was not how the Seniors wanted to end their careers, but they will forever remember where their efforts took them over the years. Jeff Thompson ended his career in the record books as Millikin's best field goal percentage shooter at 58.5%. As the Seniors are saying good-bye, the returning players are glancing toward the future with that youthful spirit clearly visible in their eyes. They are ready and willing to improve on this season's 15-11 record. What is ahead for the team? All one has to do is glance back over the years to know that whatever their record, the team will be competitive and a constant threat in the CCIW.

Millikin's Junior Varsity basketball team provides a promise for the future, as they posted a 12-3 record. Head Coach Tim Littrell explained that the greatest asset to the team, like the Varsity squad, was its depth. This depth was evident throughout the season as players were sidelined with injuries and yet the team continued to win. Despite losing to Illinois Wesleyan early in the season, the squad regrouped and pulled of the season-ending victory against Wesleyan on Millikin's home court. Coach Littrell also looked at the victories over Augustana as a highlight of the season. The Junior Varsity team consisted mainly of Freshmen, however they looked for leadership from Sophomores Steve Hubbard and Ronnie Cloyd. This year's team members will look forward to next season with the anticipation of earning a spot on the Varsity roster.

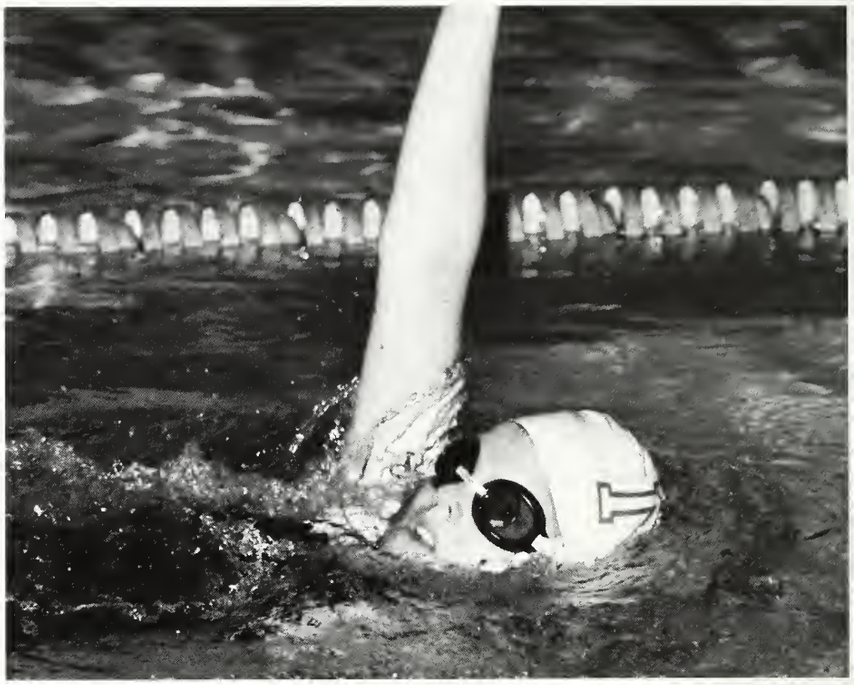
Jocelyn Christensen

Big Blue swimmers spent many hours practicing for their meets. This swimmer works on her backstroke.



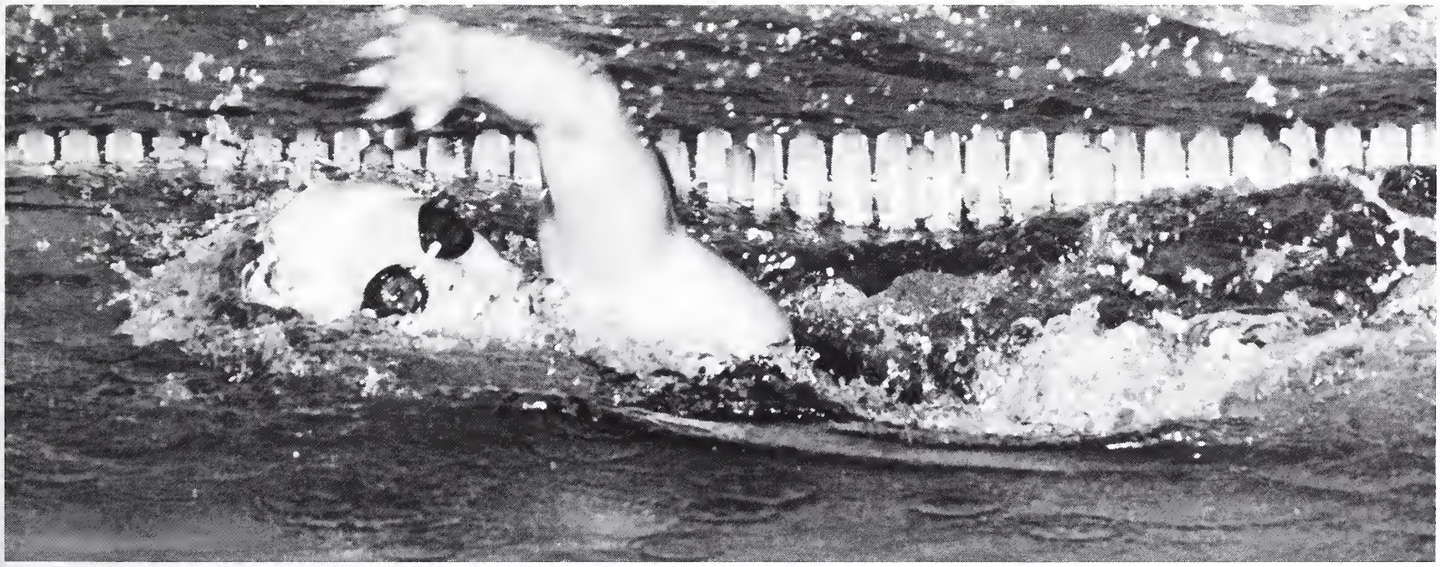
Kneeling (L to R): Mark Milnes, Thaya Lawrence, Suzanne Cullen and Renee Gulino. Middle: Sean Cabbage, Ken Krause, Jocelyn Christensen, Amy Brandenberger, Scott Walker, Mike Shanahan, Michele Adams, Dina Carlson, and Katrina Winch. Back: Aaron Klaus, James Peters, Mike Couch, Jay Harris, Wendy Baskovic and Molly Stroh.

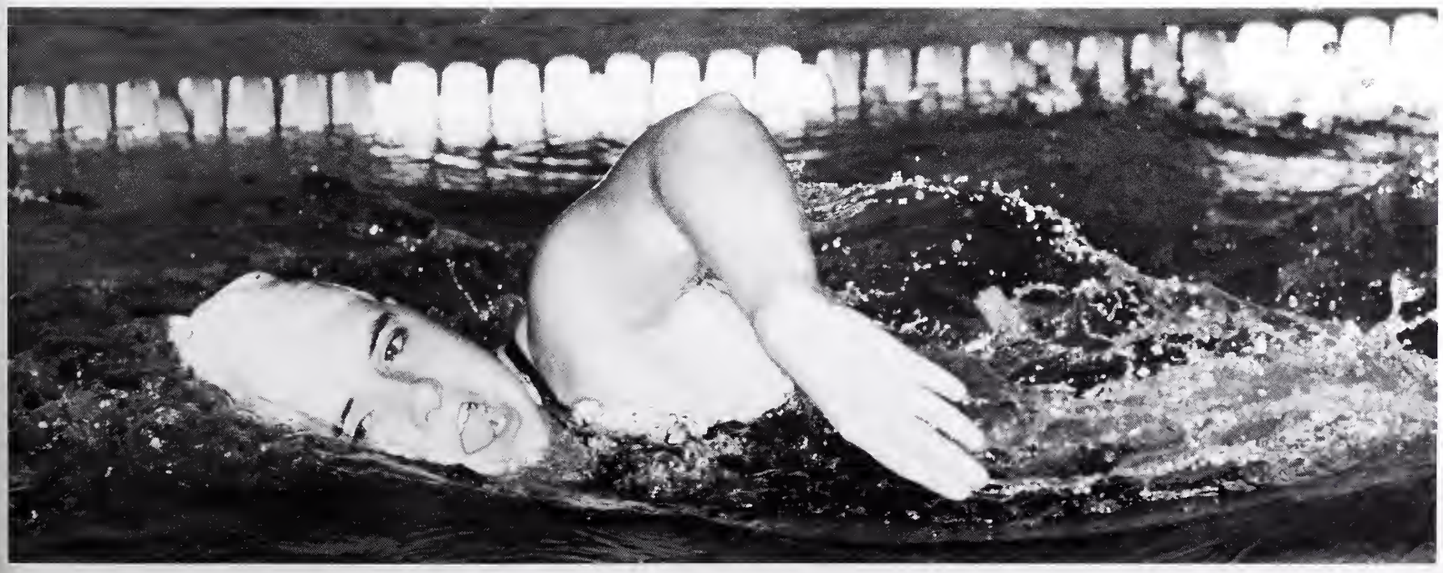
One Moment in Tide

For a while, the new head coach of the swim team, John Gadbois, was beginning to wonder whether or not he would have a team. At the start of practices there were only three men and four women. Even by the end of the season, Coach Gadbois was hoping for more people to join. Without additional members, it was impossible to fill all the events at the meets and therefore they were very difficult to win.

After discussing the meet results, there is no more mention of the team. Swimming is and individual sport. This season, those individuals on the team did an outstanding job. Scott Walker performed well for Millikin, but he also qualified for the U.S. Olympic Trials. He is the only Division III swimmer who will be trying to represent the U.S. in Barcelona. Back at Millikin, Jocelyn Christensen qualified for the NCAA Division II Championships. While at the National Tournament she set a school record in the 500 freestyle. Dina Carlson also performed well all season and she was named one of the MVPs of the CCIW Tournament, where she took top honors in three events. Ken Krause won one event at the CCIW, and he was runner-up in two other events.

The prospectus for next year looks good if the team can maintain, if not hopefully increase, the number of participants. Returning next year are seven women and six men. The team will be led by Dina Carlson and Ken Krause.





After moments of intense competition, top, the swim team found that practice time, above, was perfect for improving their strokes and gearing up for the next competition.

MVP - Mike Weideman
Mike Hall
Outstanding Performers:
Running Events: David Peabody
Field Events: Rob Townsend

The track team was blessed with both speed and strength this season. Three members of the NCAA Division III All-America relay team returned this year for another try at the title. Mike Hall, Dan Nieves, and Mike Weideman all returned with hopes of improving their fifth place finish of last year. Throughout the season many new faces began to appear as possible Conference title winners.

At the CCIW Conference Championships, Mike Hall earned all-conference honors in four events - long jump, 100-meter dash, 200-meter dash and the 400-meter relay. Mike Weideman placed third in the 100-meter and fourth in the 200-meter. Hall, Weideman, LaJhaune Scott, and David Peabody took top honors in the 400-meter relay. In addition, the relay team met the qualifying standards to compete in the NCAA Division III Outdoor National Championships in the end of May. Ed Moss ended his career with a sixth place finish in triple jump and eighth in pole vault. The upcoming leaders of the team also did quite well at CCIWS. Rob Townsend was fifth in shot put, Tom Colin was fifth in pole vault, David Peabody was sixth in 400-meter intermediate hurdles, Darren Pitts was seventh in the 3,00-meter steeplechase, and the mile relay team of Matt Karlson, Kent Holthaus, Mark Milnes, and David Peabody finished third.

Kenyatta Haire summed up the season and the outlook for the future in a great way as he stated, "In retrospect to what we accomplished this season, I think we are capable of doing twice as good next season."

Back: LaJhaune Scott, Matt Karlson, Kent Holthaus, Greg Largent, Kenyatta Haire, David Peabody, and Joe Gordillo.

Momentum

This year's team did gain a great deal of momentum. Similar to the men, the women had great performances turned in by both veterans and freshman. The improvements of the individuals over the season was demonstrated at the end of the season at the CCIW Championships.

At the CCIWs, Wendy Baker earned all-conference honors for her eighth place finish in the heptathlon. She is the only member who won't be returning because of graduation. Five other team members earned all-conference honors. Melissa Kane placed eighth in both the 100 and 200-meter dashes. Amy Stelter was fifth in high jump. Andrea Link took seventh in the 400-meter dash, while her fellow captains for next year, Jody Plater and Eliza Nyman finished seventh in the discus and eighth in the 10,000-meter run, respectively.

Next year the team will lose one senior, but they will be returning 14 letter winners. In addition, Coach Slagell hopes to recruit more people into joining the team. It is difficult to do well in meets were you don't have entries in some events. With more hard-working, dedicated people on the team, the team standing will improve.

Coach Pobanz joined the Big Blue Softball team this year to assist Head Coach Jim Mills. Coach Pobanz was inducted in 1988 to the Men's Fastpitch Hall of Fame, as a pitcher. He also coaches the Decatur Pride Men's Fastpitch Team during the summer. He was a definite asset to this year's young squad, and team members look forward to seeing him next year.

Marcie Lindgren, sophomore, played first base and was an outstanding fielder. Here she shows the home crowd her hitting ability.

"It's hard to imagine that after going 19-14 this season, and not graduating any Seniors, this team won't be competing for the Conference Championship next season."

Time for New Beginnings

The 1992 Softball season was definitely a time for new beginnings. The previous Head Coach since the start of the Big Blue Softball program, Mr. Bryce Boston, resigned at the end of last season. Jim Mills, who was the Assistant Coach under Boston, was named the new Head Coach. To assist him this year he found Coach Pobanz. To add to the list of new beginnings, this year's team lost six starters from last year's squad. The 1992 squad used the young age to their advantage as they surprised many teams with their overall speed and ability.

During their annual Spring trip to Florida, the team began to play together and they defeated team such as Allegheny and Western Connecticut. As the Conference schedule approached, the young team was playing as if nothing would stop them. When it came right down to the end though, the increasing pressures of a Conference Championship began to weigh down the young team. The team ended up fifth in the CCIW out of nine teams.

The team used their speed in stealing 63 bases this year - almost three times as many as last year. The Lady Blue look to continue utilizing their speed in the upcoming season. The 1993 season looks promising with new prospects coming and the 1992 won't lose any Seniors. After a great season this year, the Softball team members are anxiously awaiting bigger and better things for next year.

Jen Ciaccio, junior, contemplates which pitch her pitcher should throw next, as she readjusts her catcher's mask after trying for a foul ball.

Jana Albrecht, freshman, led the team in stolen bases with 14. She took advantage of her great lead-offs as she demonstrates here.

Recovery Time

This year's season was a learning experience for everyone. Team members learned about how important the knee is, and just how fragile it can be. Numerous wrestlers went down with knee injuries this season which inhibited the team from performing at its top level. Despite these injuries, the team did well. There were three wrestlers who scored double-figure win totals for the season: John Bucci (118lbs) 12-12; Mark Dowell (134lbs) 13-13; and Todd Faris (142-150lbs) 13-14. One other wrestler, Richard Harvey, was well on his way to a double-figure win total, but unfortunately he missed six weeks because of a knee injury. He ended up 9-4 at the weight of 167lbs.

Some of the individual highlights came at the end of the season with very impressive finishes in the Conference Tournament. Richard Harvey won the 167-pound division for the season straight year. This victory sent him to the NCAA Division III National Championships. Mark Dowell placed fourth in the CCIW Tournament and he was named to the NCAA Division III Scholar All-America Team for the second straight year. Todd Faris and Mike Scheurich (150lbs) both placed fourth at the Tournament in their respective division.

Next year's team will be led by captains Richard Harvey and Mark Dowell. Harvey, although currently a senior, he has one year of eligibility left because he missed his sophomore year due to a shoulder injury. The team hopes to improve upon its team record and hopefully avoid injuries next season.

CCIW Tournament:
1st Place - Richard Harvey (169lbs)
4th Place - Mark Dowell (134lbs)
Todd Faris (142lbs)
Mike Scheurich (150lbs)

May 17, 1992 ... The day Millikin said good-bye to 380 wonderful people and 380 wonderful people said hello to a new life. The heat of Griswald couldn't mask the joy of the class of '92. Good luck grads. The smiles tell the rest of the story.

Graduation

Time to move on.

Saying good-bye is never easy. But these smiles show that Mike, Heather, Stacy, Bev, Julie and Joella are happy to move ahead.

Editor's Note

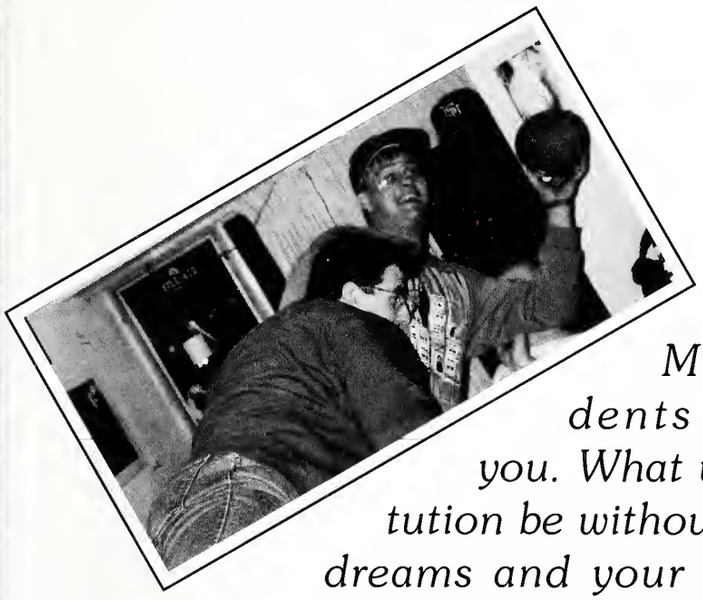
My Dear Friends,

I hope that this year's yearbook will always foster fond memories of how we spent out "time" as Millikin students. I have had fun learning about you and hope that this annual is a good representation of you. Time is a funny thing. So often we take it for granted, more often we do not have enough of it. But, it remains to be the one gift that God gives all of us, although some get more than others. At this time I do not wish you wealth, or career success, Instead I wish you all the time to accomplish what you feel is important. I wish you time to find who you are and who you want to be, time to love yourself, time to have fun, time to cry, time to rest and time to fall in love. Most of all, I wish you plenty of time to seek friends who love you for who you are and who will remain true. But in the end, I hope your best friend is yourself. Take time to be good to the one person that will always be there for you ...You. Peace and God Bless You.

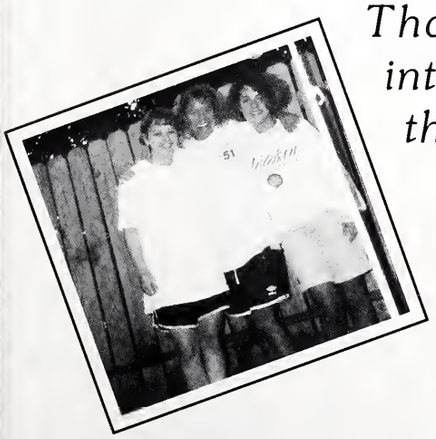
A Special thanks to Joe Houston, Pat Sleade, Bob Donnelly and Rich.

All My Love,
Heather Joy Doolittle

Dedication



Millikin Students ... Here's to you. What would this institution be without your charm, your dreams and your talent? In light of this fact, this year's yearbook is dedicated to each and every one of you. Thank you for making it all so interesting, and worth while. Keep the spirit!!



"We're the Hometown People"

Helping people has always been a big part of our "Hometown" philosophy. And nobody can help you with your financial needs better than we can. That's why we're the ones to turn to.
